

Nimo Benne

Technical Sales Specialist · Edge Computing · **Ex-Pro Athlete**

Toronto, ON · nimobenne@gmail.com · linkedin.com/in/nimobenne · github.com/nimobenne · nimobenne.github.io

PROFILE

Technical sales specialist with a Computer Science background, native Dutch, fluent German. Track record building pipelines and funnels from scratch. Runs technical conversations without SE support and builds own outreach-automation and CRM/pipeline tooling.

EXPERIENCE

HiveRadar Inc., Technical Sales Specialist

May 2026 – Present

Toronto, ON · Full-time

- Own the full deal lifecycle for HiveRadar's P-EDC (portable HCI edge data centers) and WSSK (enterprise WiFi site-survey kits), from pre-sales technical qualification through quoting, invoicing, shipping, and customer success. \$54K+ USD across 10 deals closed-won in the first 5 months, as HiveRadar's founding sales hire
- Built two internal tools from scratch. An InvenTree-integrated dashboard tracks hardware unit QA readiness. A CRM/pipeline dashboard covers 380+ contacts across 5 regions with automated follow-up
- Build EU channel pipeline targeting Benelux, DACH, and Nordic markets; first partner reached commercial agreement stage in under 30 days
- Use native Dutch and fluent German to open conversations and build trust with prospects unreachable through English-only outreach
- Built agentic sales workflow (Apollo API into Claude, automated triggers, guardrails and human-review checkpoints for compliance and quality control) that runs the full outbound cycle solo, zero SDR support
- Built internal RAG knowledge base for product docs and automated quote-to-invoice generation across the full deal cycle

Baden Volleys SSC Karlsruhe, Professional Volleyball Player

Jun 2025 – May 2026

Karlsruhe, Germany · 1st Bundesliga

- Competed at professional level in Germany's top volleyball league; relocated abroad independently and managed elite performance commitments for a full season before transitioning into tech sales

Securicore, Sales Engineer

Mar 2022 – Mar 2023

Toronto, ON · Contract (remote)

- Owned technical qualification and solution scoping for Barracuda cloud security and network infrastructure accounts
- Supported full sales cycles from initial discovery through proposal stage, working alongside senior account executives on enterprise engagements

EDUCATION

Bachelor of Computer Science

2019 – 2025

University of the Fraser Valley · Student-athlete, UVF Cascades Men's Volleyball (Canada West)

- Canada West 2nd Team All-Star & Team MVP · 31st player in conference history to reach 1,000 career kills
- Canada West Rookie of the Year (Thompson Rivers University) · Netherlands U20 European Championships
